

WhatsApp Directions

Below is a how-to for using WhatsApp. You will need to download this app to contact your vendors. Please be polite and understanding as some vendors are in different time zones, but most WILL answer any questions you have within 24 hours.

iPhone:https://itunes.apple.com/us/app/whatsapp-messenger/id310633997?mt=8 Android:https://www.whatsapp.com/android/ Mac or Window PC:https://www.whatsapp.com/download/ Windows Phone:https://www.microsoft.com/en-us/p/whatsapp/9wzdncrdfwbs?rtc=1

Open Whats App and click on the new message icon

Click on New Contact. You will have to add each vendor to your contact list to be able to message them.

You may place the vendors name here so its easier to look back and contact each one.

This is a personal preference, but I like to also add the URL and Social Link field to keep their website url and their facebook/instagram username.
